Dear Rahul Paitka,

I would like to personally thank you and the team at Charms Education & Immigration Services Pvt. Ltd. for your first-rate efforts to promote Camosun College in India. In recognition of your efforts on behalf of Camosun College, I would like to present you with this plaque that honours you as one of a select few of valued Camosun partners.

A true testament to the hard work you've demonstrated is the student success and retention statistics at Camosun College for the past year. International student retention has increased recently by more than 30% demonstrating that proper screening and detailed advising goes a long way towards ensuring student satisfaction. Camosun has also experienced continued and measurable growth in international student enrolments making Camosun the college with the largest increase in enrolment in western Canada.

Camosun College would like to thank you for being one of our most esteemed partners in international education. Your dedication and professionalism in serving Camosun students have not gone unnoticed and the team at Camosun College looks forward to continued success working with you. If there is anything else we can do to support your ongoing efforts please do not hesitate to let us know. I look forward to another successful year!

Sincerely,
